

The Ten Tips Workshop Series is and back as informative as ever! The series consists of 10 workshops appropriate for parents, teachers, or other individuals who work with young children and focus on practical strategies that can be easily implemented into daily classroom and/or home routines. All workshops offer suggestions that are appropriate for all children. A special emphasis is placed on children with **special needs** and those with an **Autism** diagnosis.

Class Times: 6:00 pm – 7:30 pm
